ADDITIONAL SITE INFORMATION
No Exhibitor Setup prior to Saturday

Crating: All dogs in the crating areas must be in wire crates, or portable soft crates that have four sides, top and bottom, with zippered closures. X-pens are not allowed at this trial. Priority will be given to volunteer workers. If space is available non–workers may also crate inside. Crate only on the tarps provided. The inner crating room is restricted to club officials only.

Leashes: All dogs must be on leash at all times when on trial grounds except when in the designated warm-up area or competing on the course. Snap, martingale, and slip-leads are allowed. Flexi-leads must be kept to 3ft or shorter and locked when inside or outside in the potty area.

Shoes: Handlers need shoes with low traction to avoid "sticking" to the turf. Trail shoes do not work well. Please choose something with less tread.

All turf accidents must be reported immediately and a $10 clean up fee has to be paid by the exhibitor to Level Up Dog Sports.

Crates may be left in the building overnight between trial days, but RDOC/LUDS will not be responsible for damage or theft of any exhibitor's property.

Please potty dogs only on LUDS property or across the street on the woods/water side, not on neighboring properties. Use the provided bags to clean up after your dog(s).

A warm-up jump will be available in the crating area.

Please be mindful when passing other exhibitors and do not allow any contact between dogs.

Children who are not entered in the trial must be accompanied by an adult at all times and should not be allowed to approach any dogs.

No RV parking onsite without permission.

No smoking anywhere on trial site except in personal vehicles.

This is a preliminary judging schedule contingent on move-up entries not yet received.
